Longfellow Middle School PTA

PTA Meeting Friday, January 10th @ 9:00 a.m., LMS Lecture Hall

Academic Question and Answer Session for Rising 8th and 9th Grade Parents

McLean High School Boundary Adjustment Update

Join us for the first PTA meeting of 2020 for an important mid-year update. Immediately following the short meeting, **Director of Student Services**, Marissa Brooks will present and answer questions regarding next year for **both rising 8th graders and rising 9th graders**. Mrs. Brooks has extensive middle and high school experience. This is your opportunity to get all your questions answered in a smaller setting and help your student achieve success at the

next level. **Principal Kihm** will be there to answer questions too. She has extensive high school experience and was a high school principal before returning to the middle school level at Longfellow.

We will also have an update from **McSPaCES** founder, Vance Gore regarding recent community meetings on potential boundary change between McLean and Langley High School. Keep up to date on this important matter.

McLean High School Curriculum Night, TONIGHT at 6:30 PM, McLean High School Auditorium

You are cordially invited to an informational meeting for the parents of the McLean High School Class of 2024. The meeting will include course planning for September 2020-21 and beyond, an opportunity to meet and hear from McLean High School administrators, and a curriculum fair with McLean teachers available to answer questions. While program is designed for parents, students are encouraged to attend as well. For additional

information contact Paul Stansbery at PWStansbery@fcps.edu or (703) 714-5740.

Our school receives over \$7,000 each year in donations from the grocery card and shopping programs. Just through our shopping parents!

Glant was one of our largest programs, though they ended their school program this year. This will impact our fundraising for the 2019-2020 school year.

Fortunately there are many other retailers like Amazon who still support schools. Please take advantage of these and encourage your friends and relatives to do the same.

Every purchase counts! Thank you!
