Virtual Parent Education Series on Substance Abuse Prevention

Kelly Rankin, LCSW, CSAC

Substance Abuse Prevention Specialist

Langley and McLean Pyramid

Krankin@fcps.edu

McLean High School PTSA is offering a three-part Parent Education Series on Substance Abuse Prevention in collaboration with the FCPS Substance Abuse Prevention Specialist, Kelly Rankin. The three-part series will provide 20-minute education sessions for parents to learn about the development of the teenage brain, impact of drugs on its development, and become aware of the current drug trends. These series are available to the entire McLean pyramid and their communities.

Our main goal is to build awareness and arm parents with the knowledge and tools to identify early signs of substance use disorder, how you can play an important role in prevention, and how to have a conversation with your child about addiction.

Part 1 - Teenage Brain: Building Connections on **February 25, 2021** at noon and 7pm

Part 2 - Drugs and the Teenage Brain on **March 25, 2021** at noon and 7pm

Part 3 - Drug Trends: Identifying Common Household Items and Drug Culture on **April 22, 2021** at noon and 7pm

A Blackboard Collaborate meeting link will be sent in a reminder email on the day of the session. Use this link to join the session. No registration necessary. These live sessions allow parents to ask questions and accommodate up to 250 participants. Recorded sessions will be available the day after the live sessions on our website www.mcleanptsa.org

Kelly Rankin holds a Masters in Social Work from George Mason University and is a Licensed Clinical Social Worker. She is a Certified Substance Abuse Counselor (CSAC) in the Commonwealth of Virginia. She has been working in the field of substance abuse and mental health with both adults and adolescents since 2007. Kelly worked at Phoenix House as a Program Director of the women's residential facility from 2011-2017, then moved to treating adults in an outpatient setting from 2017-2018. After witnessing the opioid epidemic destroy families, and patients overdosing, she made the decision to work with Fairfax County Public Schools as a Substance Abuse Prevention Specialist.
