Message From The PTA

We hope this message finds your family physically and mentally well, safe, and adjusting to the new normal. It is a time of considerable uncertainty and anxiety. We are all doing our best to try and create routines and a sense of normalcy. The PTA is no different. The PTA executive board is meeting next week to discuss ways we can honor our hardworking teachers during Teacher Appreciation Week and honor our eighth graders moving onto high school. We are also looking at some mental health programming and will share details soon. These times call for out of the box thinking, and we welcome any suggestions or ideas you might have at president.ptalms@gmail.com.

Of great concern to many right now are those who are hungry in our community. FCPS has put together a comprehensive list of food pantries for donations as well as donating directly to the FCPS Foundation. Longfellow students in need are served by both the **Food For Others** and **Share** food banks. For more information on how to donate or volunteer to any of these organizations, please click [here](#). Let's give a **huge shout out** to the cafeteria workers who are doing a fantastic job preparing and distributing thousands of meals to students in need during the shutdown. We know everyone is on information overload these days.

We don't want to overwhelm families with too much information. The PTA is always here for you. Please bring us any suggestions or ideas you have during this time. We want to support our community in the best way possible.

Stay Safe and Be Well.
